Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for St. Joseph Children’s Home capital improvements in fiscal year 2023. The entity to receive the funding for this project is St. Joseph Children’s Home, located at 2823 Frankfort Avenue Louisville, Kentucky 40206. This funding will help fund an historic project to reduce the educational disparities for Kentucky’s most vulnerable youth and provide a modernized space tailored to the unique needs of their residential children.

This community project will renovate St. Joseph’s 146-year old building for their residential children who are unable to attend their regularly assigned public school. The school will address the needs for these vulnerable children and help them learn more effectively by providing an education that adapts to their needs and creates an environment that will empower them to successfully learn and grow.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

John Yarmuth
Member of Congress
